Dear \_\_\_\_\_,

Thank you for sponsoring me in this year's Rocket Run!

My classmates and I had so much fun on Race Day and thanks to all the donations and sponsorships, we were able to raise over \$80,000. Your generous donation will provide my teachers with tools and resources they've requested to give me the best education possible at Oakdale.

Our school could not be what it is without the support of a caring community. Thank you again for your thoughtful gift to the Oakdale School Foundation and for making a difference in my education.

Sincerely,
